

# THE GREAT NEWLANDS SURVEY 2017

A survey by residents, for residents, so you can choose what  
YOU want to see happen in YOUR community.

(Please fill it in and return it)

*The Newlands Paparangi Progressive Association (NPPA) is conducting its third survey to find out what the local residents want to prioritise in our community.*

*The responses will be collated to help form the NPPA's strategy for facilitating community focused improvements for the Newlands, Paparangi and Woodridge area.*

*The NPPA have helped to support and advocate for the following projects over the past few years including*

*Improvements to the Newlands Mall*

*Civil Resilience in association with Nga Hau e Wha o Paparangi*

*Improved cycle / walking tracks*

*Upgrading Newlands signage, including the electronic sign and improved community information,*

*Newlands Community Garden and Orchard;*

*Progress towards a Community Board to give better access to Council decision-making.*

*People who make the most noise get the most attention - "the squeaky wheel gets the oil". The NPPA helps the community by advocating what is needed and wanted in the community, to those who make the decisions.*

*Please participate in this survey so we can identify the Top Twenty things that Newlands residents want to see happen in the next decade.*

**Completing the survey:**

- Fill in this survey
- Post it to PO Box 26-110, or
- Drop it in the survey box at the Newlands Community Centre, or
- you can visit [www.newlands.org.nz](http://www.newlands.org.nz) and complete the survey online

Q1) Name up to three things you think should be **built** in the area:

---

---

---

Q2) What three **services** should be provided in the area:

---

---

---
