Dear Neighbours,

Welcome to our first newsletter.

At our February 2023 meeting, we agreed to support the Primary School Citizenship Awards for the third year, the Local Community Patrol and the Newlands Foodbank.

We are also finalising a number of new projects including refreshing our website and some community activities. We will share the progress with you as we move along.

The NPPA Electronic sign on Newlands Road is not working at the moment but we have got someone working on fixing it. We hope it will be fixed soon.

If you live in Newlands, Paparangi or Woodridge, you are welcome to come along and contribute at our committee meetings. We meet online on first Tuesday of the month from February to November. Send us your details and email address and we will send the Zoom link to our next meeting.

If you are unable to attend, you can get in touch with our Committee listed here by emailing to: newlandspaparangiprogressive@gmail.com

Please keep an eye out for our next newsletter which will be published next month.

Thank you
Jim Bishop
President, NPPA
